### Directors Retreat 2012

5th-8th March 2012  
Camp Hope  
Cato Ridge  
Durban

### **Revelation 22:1-2**

Dear Centre Director & Co-Director

You are hereby invited to join us for another amazing Africa Cares for Life Directors Retreat.

## RIVER OF MERCY

The purpose of our time together is to focus on the principles of honor, blessing and mercy that come from what Jesus has done for us on the cross.

It is a significant component for leaders:

- To be restored and know their position in blessing in Christ so that they can be a true blessing.
- To identify doors that have been opened to the enemy that have robbed them of the blessing.
- To stop generational strongholds and curses and to allow God to restore identity, purpose, meaning and relationships.

We look forward to sharing this time of refreshing with you.

## Revelation 22:1-2

Then the angel showed me the river of the water of life, as clear as crystal, flowing from the throne of God and of the Lamb down the middle of the great street of the city.

On each side of the river stood the tree of life, bearing twelve crops of fruit, yielding its fruit every month. And the leaves of the tree are for the healing of the nations.
