Affirming Life...Inspiring Hope

07 November 2011

Dear Centre Leader

We at Africa Cares for Life understand the enormous responsibility you carry. We know how emotionally draining it can be as you give of yourself on a continuous basis to your staff, volunteers, board members and to broken people needing your ongoing support. We understand that walking by faith can at times be very stressful.

We will be hosting another Directors Retreat in March 2012 which will focus on God's River of Mercy. The course has been developed by Drummond and Lindah Robinson of Family Transformation International in Port Elizabeth and focuses on the principles of honour, blessing and mercy that come from what Jesus did for us on the cross.

This retreat is to refuel you and your co-director's/co-worker's tank. Letting go of pent up emotions, which you in your Centre environment might not have the freedom to air your views as you have to think of others first.
